

BCCA

BENOR CERTIFICATE

issued on the basis of the provisions of the Implementation Rules for BENOR certification
of thermoplastic pipes and accessories, TRA BB 651,
to the company

Aliaxis Nederland

Industrieterrein 11, NL - 5980 AC Panningen,

for the production of

**PE-fittings for soil and waste discharge (low and high temperature)
within the building structure, fitting group (other), size group 1 (32-
63mm) and 2 (75-160mm): electrofusion sockets**

manufactured in the production unit

Aliaxis Nederland

Industrieterrein 11, NL - 5980 AC Panningen,

in accordance with the

**PTV 1004 and NBN EN 1519 "Plastics piping systems for soil and waste discharge
(low and high temperature) within the building structure - Polyethylene (PE)"**

By issuing the certificate, BCCA declares that, on the basis of (I) the initial assessment of the product characteristics by means of testing; (II) the initial evaluation and acceptance of the quality assurance in production; (III) the regular external control of the implementation of the quality assurance processes and the control schemes agreed upon; (IV) regular control tests in a recognised external laboratory, sufficient confidence can be given to the measures taken by the certificate holder for guaranteeing conformity with the prescriptions.

The annex to this certificate gives the data with regard to the certified product. This document is an annex to the certificate and is authenticated by BCCA.

Following the issuing of this certificate and as long as it is maintained valid, BCCA grants the right to use the BENOR mark to the certificate holder. The proof of delivery of a product under the BENOR mark is given by a suitable identification on the product. The use of the BENOR mark does not relieve the certificate holder of his responsibilities with regard to the delivered product. The validity of this certificate can be checked via www.bcca.be.

N° certificate BB-651-1640-1519.C3-D12EF-1640-34743 | Valid from 01-07-2021 until 30-06-2024

Issued in Brussels, on 10 June 2021.

ir. B. De Blaere,
Président du Comité de Gestion
Générale Certification et Agrément

The BENOR mark is a registered collective mark, that is the property of the Bureau for Standardisation (NBN). The BENOR certification is a voluntary system that is established on the basis of a consensus between stakeholders and is a response on the request of the user to have sufficient certainty about the aspects with regard to, ex., quality, public security, suitability for use, health and the interests of the end users.
