We Make Life Flow – Aliaxis Product Warranty

Thank you for considering Aliaxis and our complete Sustainable Fluid Management Products and Systems to support your customers, asset owners and projects.

At Aliaxis we pride ourselves in the quality of our products, carrying out extensive design and testing before they are sold and installed. Our Product Warranty gives assets owners and installers the confidence in the compatibility and performance of a system, with complete assurance in the manufacturing, durability and quality of our products.

Aliaxis UK warrants its products and tools against material and manufacturing defects for a period of five (5) years from the date of purchase. This warranty applies only when the products are specified, stored and installed when following Aliaxis technical documentation. Products produced by another manufacturer used in conjunction with our products will not be covered by this product warranty unless verified by Aliaxis. The use of another manufactures product with Aliaxis will not invalidate this product warranty. The warranty covers the replacement of defective product at no extra costs, however excludes any claims for incidental and consequential damages leading to the removal and reinstallation of them.

Full warranty terms and conditions can be provided by our Aliaxis Sales and Care Teams or by visiting alixis.co.uk regarding Products, Systems and Solution Warranties.
